Yale-New Haven Hospital Adult Emergency Department

About the Adult ED at Yale-New Haven Hospital

- A Level I Trauma Center treating approximately 72,000 patients annually
- A leader in AMI care
- 26 cubicles
- 2 trauma bays
- A certified Stroke Center
- A 4-bed Chest Pain Center
- A 5-bed Urgent Care (Fast Track)
- A separate 8-bed locked Crises Intervention Unit for psychiatric emergencies

Patient Population

The Adult ED at Yale-New Haven Hospital treats a diverse emergency patient population, including cardiac patients with life-threatening critical illness; heart failure; post-operative patients; GI bleeds; pulmonary decompensation; neurosurgical patients; surgical and non-surgical patients including those with head injuries; plastic and orthopedic patients; and all medical patients. We are a Level 1 Trauma Center, a certified Stroke Center and are proud to be recognized as a leader in AMI care.

Staff/Practice

This is a truly challenging nursing environment! We attract strong, clinically sound, energetic nurses who function both as teachers and learners in our fast-paced environment. We highly value teamwork, a strong work ethic, quality patient/family care and a good sense of humor.

Our staff is composed of professional and assistive staff. We practice Team Nursing – composed of an RN, Resident or Physician, PA and an ED Technical Associate – with a strong emphasis on an interdisciplinary approach to care. New grads are welcomed via our Critical Care Internship Program.

Unit-Based Programs & Committees
