- Learn more about the impact of mental illness on general health and disease through our special link with Yale-New Haven Psychiatric Hospital
- Work with a group of dedicated, compassionate professionals who recognize the importance of a good sense of humor

What Are Our Nurses Saying?

"I would like you to know what an educational experience it's been to be a staff nurse on 9-5. I feel that I have gained clinical and leadership skills that will enable me to be a strong nurse, no matter where my career leads me."

"I've been employed by YNH for seventeen years and have had many great experiences as an RN learning continuously while providing patient care. It's one of my deepest passions."

"I want to thank you for your generosity and the way you welcomed me from the start."

"This is the type of unit all your professors and advisors recommended!!!"

"We have a diverse population of patients with diverse disease processes. We also have a diverse staff. There's a place for you on 9-5."

"9-5 is a great launching pad."

"I came to 9-5 as a part of my sophomore experience. I enjoyed it so much I never left!"
