Yale-New Haven Hospital Pediatric Emergency Department

The only Level I Pediatric Trauma Center in the state of Connecticut, the Pediatric Emergency Department (PED) at Yale-New Haven Children's Hospital is a highly specialized clinical environment and an exciting, challenging and intellectually stimulating place to work. Staff in the PED care for children of all ages — from newborn through late adolescence with various healthcare needs. Our dedicated, talented staff delivers individual care to each patient who comes to the PED for treatment.

Our culture and philosophy reflects one of collaboration and mutual respect. Here, you will have the opportunity to be part of a multidisciplinary team of diverse, talented, and dedicated healthcare providers, including:

- **Registered Nurses**
- **Physicians**
- **Physician Assistants**
- **Child Psychiatry Advanced Practice Registered Nurse**
- **Information Associates**
- **Emergency Department Technical Associates**
- **Child Life Specialists**
- **Social Workers**
- **Environmental Associates**

For our nursing team, there are various opportunities for professional development, including:

- **An individualized orientation coordinated by our Unit-Based Educator**
- **Ongoing educational inservices regarding current practice**
- **Educational retreats**
- **Opportunity to attend pediatric and emergency specific courses**
- **A dynamic clinical ladder program (RCAP) designed to facilitate professional development**

We invite you to learn more about us by visiting our unit for a clinical shadow experience. You'll be paired with one of our staff RNs, given a tour, and offered a general overview of PED nursing practice and patient flow. We can also arrange for a unit interview session, if desired.

We look forward to meeting you!
